Our Story

Since 1978, coffee has enchanted our senses and sparked our curiosity, leading us on a global journey to discover the finest beans.

After experimenting with various roasting methods, we introduced Marouf Coffee in 2018, an exclusive blend from the best farms worldwide. Each sip tells a story, infusing passion and warmth, as we continue to satisfy coffee lovers everywhere.

Passion for Coffee

Mission

We are on a mission to spread passion with every cup of coffee. We look forward to many years of roasting and brewing the most inspirational taste ever.

Vision

To become the most trusted as the perfect coffee business partner and the leader in the local, regional and international market

Dream

Our dream is for Marouf to become the most loved and respected coffee company in Jordan. We are committed to building a culture of joy, passion, and belief in community and people. We are dedicated to changing lives through coffee

Promise

To share our customers' daily moments by providing perfect, delicious and inspirational coffee, anytime, anywhere.

Target Audience

Age Group: Broad range, from teenagers to middle-aged adults.

Lifestyle: Professionals, students, and coffee enthusiasts who appreciate premium coffee experience.

Values: Quality coffee and food, a place to have casual meetings and aligns with modern lifestyle.

Brand Positioning

Marouf is a **premium coffee brand**, renowned for its high-quality coffee, diverse beverages, and modern, comfortable ambiance.

Our **diverse beverage menu** features classic espressos, lattes, innovative seasonal drinks, and refreshing teas, catering to a wide range of tastes. Our inviting spaces feature **cozy seating and chic decor, perfect for relaxation and socializing.**

Coverage & Export

Sharing the coffee passion experience

Our distribution center strives to provide a high service network, low cost operation, and design a network that outperforms our competitors.

Production System

Why Is Maarouf Coffee the Best Choice?

Our **Triple Quality Check** system ensures the efficient, high-volume production of export-quality coffee. Every stage, from picking to exporting, undergoes rigorous quality checks, guaranteeing exceptional coffee. We deliver top-tier products tailored to your needs at competitive prices.

Each bean meets global standards through **advanced roasting technology and strict quality control**. Our expert team regularly tastes the coffee to guarantee perfect flavor. Experience true quality with Maarouf Coffee.

The company holds the food quality & safety certificate
